If elected this also means that she would be President of MAIN in 2021 and Past President in 2022. The Vice Presidency means she will chair the ILS and the Member Relations Committees. The Past President position chairs the Policy and the Nominating Committees.

Personnel
• Karla Galarza-Payeur put in her resignation notice. Her last day was 10/26/19.

Building and Grounds
• October 18th – A quarter of the parking lot was taken up by construction vehicles. After some discussion with the town it was determined that a Boy Scout project was happening behind the museum. Unfortunately, some additional work needed to be done before it could continue. Therefore, we have two spots being taken up with gravel. An update is supposed to come sometime after 11/4 on what is going on with this project.
• October 25th – Dave Sippie stopped by to discuss how the Beautification Committee could help the Library. I talked to him about what we would like to see and he said he would be discussing it with the committee. He was worried about stepping on the toes of the Friends of the Library but I told him they would be very happy to see something done to the landscaping. I did also say that if they thought of big changes that it would need to be run by the Board first, as all major landscaping work does.
• November 3rd & 4th – There were issues with the fire alarm connectivity to the call center. The gentleman from Preventive Measures came out and fixed a battery issue that was causing the time to be off and reset something that was jarring with a cell tower issue on the 3rd.

Technology
• October 17th – Noticed a loud whirring noise in the computer closet. Scott at MAIN worked over the phone with Ms. Desai and it was determined a new switch needed to be purchased.
• October 25th – Scott also found that the internet access point at the reference desk wasn’t working completely properly. It has a lifetime warranty and Ms. Desai is working with the company to get a replacement.

From the visual schedule to the calming lights it was perfect for our boys! It means a lot to us to have such a great community which is open to all children and their abilities. Hope we can continue to do more sensory friendly storytimes in the future:) Thank you again & happy Halloween”

Ms. Koch would also like to work with St. Clare’s to present new parents with library card information. This could also lead to a family to gift a book to the library in the baby’s name. Books could also be added to the library’s Amazon wish list to make this easy for new parents.
• Two Girl Scout working toward their Silver Award have placed a collection box in the library for toiletries and items to be packaged and given to children taken from home by legal means. They will also run a Craft-emonium for children at the library in December.
