

COVID-19 ACKNOWLEDGMENT FORM FOR TOWNSHIP OF DENVILLE PUBLIC LIBRARY

BACKGROUND

Township of Denville and the Denville Public Library offer the public the option to participate in or attend outdoor physical, social, and educational programs/activities held on Township of Denville property and other public and semi-public places accessible to large numbers of people on a daily basis.

Due to the COVID-19 pandemic, individuals age 18 or older who wish to enroll themselves, their child, or other dependent family member into a Library Program must complete, sign, and return this Acknowledgment Form to the Denville Public Library by the Program's start date. Participation in a Library Program is conditioned upon timely submittal of a completed Acknowledgment Form for each Library Program or series of Library Programs (i.e., a series of yoga or storytime sessions with one fixed registration).

ACKNOWLEDGMENT

I acknowledge that I have been provided with, read, and fully understand:

- This Acknowledgment Form
- The Centers for Disease Control and Prevention's ("CDC") information and guidelines regarding COVID-19 and Multisystem Inflammatory Syndrome in Children ("Pandemic Illnesses") available at <https://www.cdc.gov/coronavirus/2019-ncov>
- The New Jersey Department of Health's ("NJDOH") information and guidelines regarding the Pandemic Illnesses available at <https://covid19.nj.gov/>
- The Denville Public Library's COVID-19 Program Check-In Procedures available at <https://www.denvillelibrary.org/denville-library-program-participation-information/>

I acknowledge that the Pandemic Illnesses: (1) are highly contagious and may cause serious permanent bodily injury, including death, of healthy persons of all ages; (2) are subject to changing recommendations on limiting risk of exposure and spread; (3) remain prevalent throughout New Jersey; (4) are highly likely to spread to persons in direct contact with or in close proximity to (within about 6 feet of) an infected person; (5) believed by the CDC/NJDOH to spread by droplets produced into the air when an infected person coughs, sneezes, talks, or otherwise moves air out through their nose and mouth, and from touching surfaces on which droplets containing the virus exist.

I further acknowledge that attending or participating in a Library Program poses an inherent and heightened risk of exposure, infection, and bodily injury from the Pandemic Illnesses regardless of preventative measures taken by the Township of Denville.
