

Dear Neighbor,

Have you visited the Denville Library lately? This treasure in our community provides the following: books (large print and audio), videos, video games, computers, online job search help, tutoring, access to streaming services, test prep, E-books and Read Aloud books for children, and much, much more. Please see the reverse side of flyer.

The Denville Friends of the Library (FOL) is an organization of people like YOU who believe the library is one of our most valuable resources. Members support the library by raising funds for special projects such as the soon-to-be-delivered children’s educational touch table. The money raised to support the library comes from our annual membership drive and our June Used Book Sale.

Our library needs your continued support for our numerous projects.

Whether you are a long time friend or considering joining for the first time, your contribution is important. Please consider becoming a FRIEND in 2026.

The Denville Friends of the Library is a 501(c)(3) nonprofit organization. All donations are TAX DEDUCTIBLE. Check with your employer for matching funds. Please fill out the portion below and include it with your donation. If you would like to volunteer for the book sale, indicate below.

Thank you,

The Denville Friends of the Library
